

# TVCSF Training & New Initiatives

*Lisa-Maria Browning*

# TVCSF Training Programme

- launched September 2008
- October – Big Lottery seminar & workshop
- November – funding surgery
- November – outcomes focus training
- will continue through to summer 2009

# Additional Training Opportunities

- more developing an outcomes focus
- further funding surgeries
- PQASSO – quality standard for  
small groups
- working with volunteers
- time management

# Good Practice Hubs

- Meeting the need for specialist networks to
  - share good practice
  - influence policy decisions
  - develop partnership working arrangements
  - provide volunteering & work experience opportunities
  - help develop accredited training

# Specialist Key Worker

- part-time post covering five wards
- help to develop long-term sustainability
- identify broader range of funding sources
- support from trained volunteers
- pilot leading to larger funding application
